EDUCATION

Dr. APJ Abdul Kalam Technical University (AKTU)

Bachelor of Technology in Computer Science and Engineering

November 2021 - Present

Ghaziabad, India

EXPERIENCE

Training and Placement Cell

March 2023 - Present

Coordinator

- Effective coordination of placement activities, scheduling interviews, managing databases, and handling logistics requires strong organizational and time management skills.
- Excellent verbal and written communication skills are crucial for effectively liaising with students, faculty, recruiters, and other stakeholders, as well as for conducting workshops and seminars.
- This role involves working with a team of 60 individuals, necessitating strong leadership and collaborative skills to ensure seamless execution of all activities.

Computer Society Of India (CSI)

Sept.2022 - Nov.2022

Trainee

- Acquired extensive expertise in HTML, CSS, JavaScript, and React.js.
- Working within a team at CSI offered insights into effective collaboration and teamwork dynamics.
- Selected from among 500 applicants for this trainee program, where I worked alongside 24 other trainees.
